

# Make it smart. Yale YDD724A Smart Lock

Deadbolts are one of the most effective types of locks you can trust for the utmost protection for your home. These locks, like the YDD724A, are typically used on external doors and are nearly impossible to break down. YDD724A has multiple access modes to choose from such as fingerprint recognition, PIN code, RFID key, mechanical key and the optional remote control.

**Trusted every day**
